III. **REMARKS**

Claims 17-30 are pending in this application. By this Amendment, claims 1-16 have been

canceled. Applicant does not concede in this application that those claims are not patentable over

the art cited by the Examiner, as the present claim cancellations are only for facilitating expeditious

prosecution of the allowable subject matter noted by the examiner. Applicants respectfully reserve

the right to pursue these and other claims in one or more continuations and/or divisional patent

applications.

IV. **CONCLUSION**

In light of the above, Applicant respectfully submits that all claims are in condition for

allowance. Should the Examiner require anything further to place the application in better

condition for allowance, the Examiner is invited to contact Applicant's undersigned representative

at the number listed below.

Respectfully submitted,
